# Middle Management Programme: CREATING THE LEADING-EDGE

The CLE is endorsed by Universities South Arica for its relevance and responsiveness to developing and supporting the leadership and management knowledge and skills required, for greater efficiency and effectiveness in the systems, processes, people and technology requirements of our universities.

**Target market:** The programme is specifically designed for academic heads of departments, heads of research entities, and support/professional staff managers. Typically, the selected candidate will have at least a post graduate qualification and more than five years work experience as a new or existing manager in their positions. However, universities are free to select any participant that they believe will benefit from the course.

**CHEC certificate** of successful completion will be issued upon completion of the capstone project.

Click here to register.

### The Capstone Project.

The capstone project is the culminating experience in CLE. The project will be presented at an end of the year HELA event.

**Purpose:** To allow participants to demonstrate the breadth and depth of their acquired knowledge and experiences through application to a real-life setting. The capstone can be either research-based or applicationsbased:

- A research paper. A long-form paper that investigates a specific issue related to leadership in higher education, based on a comprehensive literature review and potentially original research. This may include interviews, surveys, or data analysis,
- A case analysis. Participants analyse a real-life case related to higher education leadership, outlining problems, and proposing solutions.
- Development of a strategic or operations plan for an entity. Participants create a comprehensive strategic plan for a real entity within the university, addressing key areas like budgeting, governance, staff development, operational excellence, etc.
- A community project: Participants engage with local communities to implement an initiative, for instance, a mentoring programme, improving access to resources, or initiating positive.

<sup>1</sup> Please note that a course will only be offered if there are sufficient registration numbers
